Varsity News

For the first time in 5 seasons, the Lady Knights beat the Little Miami Panthers on their home court. Not much needs to be said to fire the Lady Knights

up for a league rival like this, but Emily Leary did the honors in the final locker room chat just before game time. She reminded the ladies that each person would play a role..."just be ready for whatever is asked of you tonight."

It was not the quickest start to a contest; however, the Lady Knights were ready for the intensity of the Little Miami Panthers. The Lady Knights held a 9-6

lead at the end of the 1st quarter and never looked back. The Lady Knights displayed one of the best team shooting percentages of the year, and doubled their score by half-time.

With a comfortable half time lead, the Lady Knights settled in to complete a great win 50-33 at home.

Junior Varsity News

The Lady Knights played one of their best games Saturday night against Little Miami. The Knights took control early over their long time rival. The first half was very close, but some good shooting led to an 8 point half-time lead.

The Lady Knights came out with pressure de-

fense and disciplined offense in the second half and slowly began to pull away. The team cruised to a 17 point victory over Little Miami.

Courtney Miller led the knights with a season high 23 points and *Sammy Jones* and *Katie Stevens* added 7 points in the victory.

One major factor in the victory was the Knight's ability to convert free throws. The team converted 19/23 (83%) free throws, improving from their free throw shooting performance against Mason (47%). The victory improved the JV record to 6-2 overall and 3-1 in the league.

The Lady Knights faced a tough match-up against the Wilmington Hurricanes. With an aggressive man defense, the hurricanes forced the Lady Knights to work hard to execute their offense.

Laura Bruns handled the point nicely while Katlyn Horner worked the post.

Despite their hard play, the Lady Knights were out rebounded throughout the game and came out with their first loss of
